Magasinet Liv is the distinctive magazine for the grown-up woman.

It will appeal to those who see not only the wider picture, but also the more far-reaching perspective. Interviews with a variety of 40+ women, whether they are already in the spotlight or not, go into topics like lifestyle, health, beauty, fashion, food, home and travel.

"To be honest I'm so proud to be in front of Magasinet Liv. Because Magasinet Liv is about sharing the lives that we lead and how we lead them. It's about celebrating and inspiring 40+ women, right where we are, in all that we dare and do, in the midst of new opportunities, new needs and new adventures. In depth and with enthusiasm and from vanity to sanity. Because why not help each other?"

- Lea Østergaard, Editor in Chief
